1. What is this product about?

- This financing facility is to assist you in financing the purchase of a residential property, residential land, and shophouse / commercial lot. The Bank's Selling Price is derived based on the Ceiling Profit Rate ("CPR") which is fixed throughout the financing tenure. However, the Effective Profit Rate ("EPR") is calculated on a floating / variable rate basis.
- Purpose of financing:
 - i. Purchase of completed house;
 - ii. Purchase of house under construction;
 - iii. Refinance of an existing property financing with Bank Rakyat or other financial institutions;
 - iv. Remortgage of a house free from encumbrances;
 - v. Purchase of bungalow lot / residential land; and
 - vi. Purchase of shophouse / commercial lot.

2. What is the Shariah concept applicable?

- This financing is under the Shariah principles of Murabahah (by adopting Tawarruq practices) where based on Wa'd (promise) from the customer, the Bank will purchase the commodity from a commodity trader and then sells the commodity to the customer based on the Murabahah sale price (cost of commodities with profit) on deferred payment basis. The Bank then, as the customer's agent, will sell the commodity to a third party buyer on cash. The cash collected from third party buyer will be deposited into payee's account.
- The commodities being used are the commodities permissible by Shariah available in Bursa Suq Al-Sila`.

4. What is Base Rate?

The BR we offer on this product is made up based on our benchmark cost of funds (COF). Our benchmark COF reflects the cost of raising new funds and 3-month Kuala Lumpur Interbank Offering Rate.

5. What are possible scenarios to trigger a change in the BR?

Our Base Rate can rise or fall due to change in the benchmark COF. Changes in benchmark COF could occur due to change in Overnight Policy Rate (OPR) as decided by the Monetary Policy Committee of Bank Negara Malaysia, as well other factors such as the market funding conditions.

6. Historical benchmark COF

- Your monthly instalment is RM _____.
- Total payment amount at the end of _____ years is RM _____.

Rate	Today (BR = __ %)	If BR goes up by 1%	If BR goes up by 2%
Monthly instalment	RM	RM	RM
Total profit at the end of _____ years	RM	RM	RM
Total payment amount at the end of _____ years	RM	RM	RM

Note:

- Your monthly instalment and total payment amount will vary upon changes in BR. However the total payment amount will not exceed the Total Selling Price.
 - We will communicate to you at least seven (7) calendar days prior to effective date of any revisions to the BR and EPR which applicable to your financing.
- Prepayment or excess payment of the monthly instalment is allowed and will be treated as subsequent monthly instalment payment. The prepayment or excess payment however will effect to the profit calculation of your financing account.
