SUSTAINABILITY INVESTMENT-i ACCOUNT (SIA)

Date: _____

BRIEF INFORMATION ON THE PRODUCT

1. What is this product about?

- Sustainability Investment-i Account (SIA) is based on the concept of profit sharing. Under this concept, customer provides capital for the Bank to invest. The profit earned from the investment will be shared as dividend between the Customer and the Bank according to the predetermined mutually agreed Profit Sharing Ratio (PSR).
- Applicable Shariah Contract:
- **Mudarabah**
 - This refers to an agreement between the investment account holder (capital provider) and the Bank (entrepreneur) where the investment account holder agrees to participate in the Shariah Compliant-financial activities undertaken by the Bank and share the profit generated from Islamic financing and/or investment activities based on an agreed Profit Sharing Ratio. Losses are borne by the provider of the funds unless proven to be due to the Bank's negligence.
- Type of product: **Unrestricted Investment Account**

A type of Investment account where investor provides Bank Rakyat with the mandate to make ultimate investment decision without specifying any particular restrictions or conditions on the management of the funds.
- Parties involved:

Investor/Customer – Rabbul Mal (capital provider)
Bank Rakyat – Mudarib (entrepreneur)

 - Customer as the investor places money into Transactional Investment-i Account (either Daily Investment-i Account or Operational Investment-i Account).
 - The Fund is then invested by the Bank into a Shariah Compliant Portfolio of the Bank's Assets based on the investment objectives and strategy.
 - Profit will be distributed between the Bank and the investor based on the agreed Profit Sharing Ratio (PSR).
 - The financial losses associated with the investment are to be borne by the customers whilst the Bank may suffer losses in term of costs and time.
- The product may offer Investor the opportunity to participate in Prize Draw which offers attractive prizes.
