1. What is this product about?

This certificate provides takaful cover against liabilities to other parties for injury or death, damage to other parties' property, and accidental or fire damage to your vehicle or theft of your vehicle.

2. What are the Shariah concepts applicable?

Wakalah

This product applies the Wakalah concept, whereby the participants appoint us to act on their behalf to invest and manage the General Takaful Fund. As an agent, we are entitled to receive a Wakalah Fee as a service charge. The Wakalah Fee is as follows:

Item	(% of contribution)
• Commission paid to the agent	10%
• Management expenses	Up to 20%
Total Wakalah Fee	Up to 30%

Tabarru'

This plan also applies the Tabarru' concept, whereby the participants agree to donate or contribute their contributions to the General Takaful Fund for the purpose of mutual aid and assistance to the participants, in case of need. At the end of each financial year, any distributable surplus in the General Takaful Fund, less repayment of historic deficits and allowance for a contingency provision, is shared 50% among the participants, and 50% to us for operating and managing the Fund, based on the contract of Ju'alah. Ju'alah is a wage contract that specifies the share of the distribution of surplus on this basis. If the surplus is less than RM10.00, the surplus is to be credited into a charity fund which will be utilized as 'amal jariyah' on behalf of the participant.
