

A stylized illustration of a black credit card payment terminal. A white receipt is emerging from the top, showing a table with columns for 'ITEM', 'PRICE', and 'TOTAL'. The terminal's screen is blue and displays a large white checkmark. Below the screen is a numeric keypad with grey buttons and three colored buttons (red, yellow, green) at the bottom. A credit card is partially inserted into the bottom of the terminal. The card is black with a white chip, the text 'Credit Card' on the left, the number '5455 7855' in the center, and 'CARDHOLDER NAME' on the right. The background is a blue grid pattern.

BEST PRACTICE FOR ONBOARDING MERCHANT
