### 1.0 Concept

- 1.1 The TD-i is based on the concept of Tawarruq with Murabahah (cost-plus) and Dual Wakalah (dual agencies which consist of Wakalah and Wakalah Bil Ujrah) application for the purpose of account opening and automatic renewal. The Dual Wakalah contracts are valid with effect from account opening until closure of account upon request by the depositor/customer or termination by the Bank.
- 1.2 The depositor/customer authorizes the Bank as an agent to perform and complete Tawarruq transactions via the commodity platform, Bursa Suq Al-Sila` (“BSAS”), with commercially traded commodities which meet the contract grade and price as specified by the BSAS as underlying asset. The commodities’ specification can be viewed from Bursa Malaysia website at <http://www.bursamalaysia.com>.
- 1.3 Pursuant to the appointment of the Bank as agent, the Bank will first purchase the commodities from BSAS on behalf of the depositor/customer (based on pre-agreed Wakalah Bil Ujrah) and

subsequently purchases the said commodities from the depositor/customer (whereby the Bank acts as the depositor/customer’s agent to sell the commodities based on pre-agreed Wakalah) on Murabahah (cost plus) and deferred payment basis.

- 1.4 The depositor/customer has the right to take delivery of the commodities prior to the sale of commodities to the Bank by informing the Bank in writing. The delivery request cannot be cancelled once confirmed and all costs and expenses related thereto such as transportation, storage and licensing shall be solely borne by the depositor/customer. Other terms and conditions are available at Bursa Malaysia website.
- 1.5 The sale price of the commodities (which comprises of the principal and profit) will be paid to the depositor/customer upon maturity on lump sum or staggered basis depending on the features and types of the depositor/customer’s account.
- 1.6 Deposit by the depositor/customer will be placed with the Bank upon realizing the proceeds of sale of the commodities by the Bank to BSAS on cash basis.
- 1.7 In the event the depositor/customer opts for monthly profit payment, the depositor/customer agrees that upon withdrawal of the deposit prior to its maturity date, the Bank shall have the right to offset from the principal deposit, any amount of profit already paid by the Bank to the depositor/customer prior to such early withdrawal.
